Cardiovascular Institute of Philadelphia

## 2011–2012 CME Conference Calendar

→ 18th Annual Clinical Management of  
Heart Disease: Cardiology Update 2011  
**Sunday, October 23, 2011**

→ 4th Annual Echocardiography Update  
**Sunday, January 22, 2012**

→ 8th Annual Update in Nuclear Cardiology  
**Thursday, March, 22, 2012**

→ Inaugural “New Paradigms in Arrhythmia  
Management 2012: Atrial Fibrillation to Sudden Death”  
**Sunday, April 22, 2012**

## **CVI's 18th Annual Clinical Management of Heart Disease: Cardiology Update 2011**

**Sunday, October 23, 2011**

Hyatt Regency Philadelphia at Penn's Landing

For physicians, fellows, residents, mid level providers and allied health professionals caring for patients with cardiovascular disease

Providing updates on the diagnosis, treatment, management and prevention of cardiovascular disease and concomitant conditions. Our 2011 agenda focuses on Inflammation and Atherothrombosis; Recent Lipid Trials and the New ATP-IV Guidelines; Hypertrophic Cardiomyopathy; Rhythm and Anticoagulation Management of Atrial Fibrillation; Surgical and Interventional Perspectives on Aortic Valve Replacement; Management of Diabetes and Hypertension.

### **Keynote Presenters:**

Barry Maron, M.D. – *Minneapolis Heart Institute Foundation*

Daniel Rader, M.D. – *University of Pennsylvania School of Medicine*

Paul Ridker, M.D. – *Brigham and Women's Hospital*

S. Chiu Wong, M.D. – *New York Presbyterian-Weill Cornell Medical Center*

## **CVI's 4th Annual Echocardiography Update: highlighting the mitral valve and pragmatic clinical approaches to mitral disease and atrial fibrillation**

**Sunday January 22, 2012**

Loews Philadelphia Hotel

For physicians, sonographers, fellows, residents, mid level providers and allied health professionals caring for patients with cardiovascular disease

This conference highlights contemporary strategies for assessment and treatment of mitral valve disease and associated conditions. Topics include proper assessment of the mitral valve by transthoracic and transesophageal echocardiography, quantification of mitral regurgitation, and evaluation of mitral stenosis. Multiple surgical approaches to mitral valve disease and treatment of atrial fibrillation will be discussed. The afternoon will include sessions on live scanning and case discussions.

## **CVI's 8th Annual Update in Nuclear Cardiology**

**Thursday, March, 22, 2012**

Hyatt Regency Philadelphia at Penn's Landing

For physicians, nuclear technologists, fellows, residents, mid level providers and allied health professionals caring for patients with cardiovascular disease

Designed to further the application, management and clinical interpretation skills of healthcare professionals in non-invasive nuclear cardiac imaging. Our 2012 agenda focuses on: Quality Control in Nuclear Medicine; PET: Current Practices – Future Directions; Assessment of Patients with Left Ventricular Dysfunction by PET – Nuclear – CTA – Echo, CZT Ultra Dose Acquisition and more.

### **Keynote Presenters:**

Leslee J. Shaw, Ph. D. – *American Society of Nuclear Cardiology*

Vasken Dilsizian, M.D. – *University of Maryland School of Medicine*

## **CVI's Inaugural “New Paradigms in Arrhythmia Management 2012: Atrial Fibrillation to Sudden Death”**

**Sunday, April 22, 2012**

Loews Philadelphia Hotel

For physicians, fellows, residents, mid level providers and allied health professionals caring for patients with cardiovascular disease

Developed to highlight current controversies and shifting paradigms in arrhythmia management. Our 2012 agenda addresses: Aborted Cardiac Death; Screening Student Athletes; Risk Stratification; MRI in Rhythm Disorders; ECG Recognition of Channelopathies and Genetic Syndromes; Complications of Defibrillator Therapy; Anticoagulation and Alternative Therapies and Pharmacologic v Ablative Therapy in Atrial Fibrillation.

### **Keynote Presenters:**

Barry Maron, M.D. – *Minneapolis Heart Institute Foundation*

Arthur Moss, M.D. – *University of Rochester Medical Center*

Gerald V. Naccarelli, M.D. – *Penn State Hershey/Milton S. Hershey Medical Center*
